2025 SUCCESSES

"Donation Station went independent this year and are being fully managed by EMFVs!"
- **Marlana Baker, Cherokee County FCS Agent**

"Our volunteers have started to do solo programming as a team where they are coming up with the best activity/recipe and have increased confidence in their teaching strategies and delivery. This has given them purpose behind their role in volunteering and how impactful it can be."
- **Ashley Szilvay, Lee County FCS Agent**

"My volunteers have helped with so much! They are getting more comfortable with the opportunity to lead their own workshops of interest (sourdough, kids cooking, etc) and I was able to train 3 new volunteers!"
- **Sydney Knowles, Sampson County FCS Agent**
