Warren County Extension Intern

Location: Warren County

Program Area: 4-H Youth Development,Agriculture and Natural Resources,Family and Consumer Sciences,Community and Rural Development

Immediate/Site Supervisor: Stacy Burns

Other Mentors and Supervisors: Daniel Marulanda, Reggie Stevenson, Tamara Small

Position Description/ Responsibilities:

- Working alongside Extension agriculture agents to assist with on-farm research, collect fieldwork and work directly with growers to support farm success.
- Assisting an Extension Family and Consumer Sciences agent with instructing parents how to build a safer environment for their children and safer food safety practices.
- Working with an Extension agriculture and natural resources agent to deliver education to protect the environment we all share.
- Teaming up with an Extension 4-H agent to help coordinate activities that promote leadership, healthy living and agricultural awareness among youth.
- Helping our Farmers Market Manager set up and run a farmers market.

Preferred qualifications/previous coursework:

We are open to all degree seeking students who meet the program qualifications.

Benefits/skills student will gain through this internship:

The program will expand the interns experiences in community development and Extension education for future employment. Our intern will benefit from a unique career experience, in many disciples and mentoring from Extension experts. Our intern will also gain valuable experience with County Government employment and have an opportunity to see how see, local communities operate.
