Featured Program:

4-H After School

Our Gates County 4-H After School Program is officially underway and packed with excitement for local youth! Students in grades K through 5 at Gatesville Elementary and T.S. Cooper Elementary are having a blast exploring agriculture, diving into STEM and robotics, and getting homework help Monday through Friday. With limited spaces still available, be sure to sign up early so your child doesn't miss out on the fun and learning!

4-H, Making Memories Together

Summer

Our Summer Hoopla program was an absolute blast, packed with everything from cooking adventures and wild animal encounters to action-packed STEM experiments! Campers spent their days building friendships, staying active, and exploring the great outdoors through unforgettable weekly themes. As one happy parent shared, "This camp gave my child the best summer ever filled with new skills and endless fun!"

4-H Online Reminders

ALL YOUTH MUST BE ENROLLED IN 4-H ONLINE

For returning parents please sign-in to 4-H online account and update your profile. New parents click the [link](#) to register.

N.C. Cooperative Extension is an equal opportunity provider. Accommodation requests related to a disability or limited English proficiency should be made by May 14, 2026.
