Washington County Extension Intern

Location: Washington County

Program Area: 4-H Youth Development

Immediate/Site Supervisor: Sonona Jefferson, 4-H Agent

Other Mentors and Supervisors: Rebecca Liverman, Jalynne Ward

Position Description/ Responsibilities:

This will be a primarily a 4-H/Youth intern. The intern will aslo support work in Agriculture as well as Family and Consumer Sciences. The intern should expect to work in 4-H educational programs inclusive of youth enrichment programs, office tasks, and data management as well as all other duties as assigned.

Preferred qualifications/previous coursework:

- We prefer to have an intern who has completed at least two years college.
- Outstanding customer service.
- Ability to multitask.
- Positive, caring attitude for community service.
- This staff has a varied background; we welcome anyone willing to learn more about Extension work.

Benefits/skills student will gain through this internship:

We will provide a grassroots Extension experience in a Tier One environment. This is a very rural experience that will involve lots of face to face interactions with parents, grandparents, youth and adults.

Additional Information

We have a busy downtown office with substantial walk-in customers. This high visibility opportunity is an important facet of our efforts to serve the community.
