

Rockingham County Beekeepers Association **Youth Scholarship**

The youth scholarship will provide a year scholarship for someone interested pursuing beekeeping. The scholarship is set up as an annual scholarship fund in memory of Rockingham County Beekeepers who have passed away. Our goal is to assist a student that wants to pursue beekeeping and provide a mentor and equipment to get started.

You must meet the following criteria:

1. Recipients must be in high school or college.
2. Must have an interest in beekeeping.
3. Join the Rockingham County Beekeepers Association, attend meetings and work with a mentor
4. You must have a safe place to keep beehives. Mentors will help determine a safe place.

Return scholarship application by email to rockinghambeesnc@gmail.com by **October 15, 2026**

If you have any questions, contact beekeeper Bobbie Gardner at 336-382-5939 or rockinghambeesnc@gmail.com

Application

Name: _____

Address: _____

Phone number: _____

Email address: _____

Date of birth: _____

Describe why you would like to receive this scholarship. Are you interested in harvesting honey, pollination of crops, etc?

Do you have any beekeeping experience? If so, describe what.

How much time do you have available to learn about beekeeping each week? Can you commit to attending beekeeping meetings on a monthly basis for education?

Please describe the location you have chosen for your Beehive. Farm? Backyard?

What are your goals for beekeeping? Time you have available to learn about beekeeping each week?
